Covetousness [Greed/Envy] is the **forerunner** of the Antichrist.

Любостяжание есть предтеча антихриста.

Процвети он на ином дереве, сказали бы так: «Само дерево прекрасно, оттого и процвел на нем такой прекраснейший цветок». Говорим: почему воплотился Христос от рода еврейского, а не иного рода?

Потому, что не нашлось другого рода, подобного ему, неблагодарного; посему и воплотился Христос от евреев, чтобы благоукрасить сей род еврейский. Но неблагодарность омрачила иудеев и не познали они спасения человеческого, Которое воплотилось в их среде. Так и ныне помрачившиеся люди, впад во тьму безчувствия из-за многопопечения и житейских забот, скинули с себя прекраснейший цвет монашеской жизни и уклонились в одно бесполезнейшее попечение о плотском.

On recording angels/record keepers

God sends an angel to gather on a single platter (images) all that results from the slanderers' cultivation of their evil.

Посылает Бог ангела собрать на одно блюдо (**изображения**) всего того, что происходит от возделывания наветниками зла своего. Собрал все это (ангел) и, держа все в руках своих, принял образ человека, делая вид, что (хочет) пронести сие мимо преподобного.

Tobit 12:12 "Now when you, Tobit, and Sarah prayed, it was I who **presented the record of your prayer** before the Glory of the Lord; and likewise whenever you used to bury the dead."

Howard Menger -

From Outer Space To You (1959)

In the year of your time 1945 we concentrated a large group of servants of our Infinite Father, which you have called "angels" in your scriptures, to aid you with the help of our machines, which project thought impulses in the direction of a specified area of chaos.

With the help of instruments, they telescreened and recorded the prayers of millions of souls.

Letters from a Living Dead Man by Elsa Barker

He said that **in the archives of the angelic regions there were cases on record** where a good angel had become bad or a bad angel had become good, but that such cases were of

rare occurrence. (Letter 14)

[Elder] Clifford Mahooty -

They've always been here, the people that are **the keepers** and **the Watchers** (Angels); the only thing that they don't do: they don't make themselves visible. They can appear right here and stand right next to me, and they can disappear and they'll be on the other side of the world. **This is some technology that we have no understanding about yet.**

Hopi Prophecy

Someday a white brother **who went away to record things** will return to this land and bring spiritual life to the continent. When White Brother returns, Hopi must keep their spiritual ways so they can show others how to live the right way. Very important job. **Elders know ancient knowledge, which also will be shared at the right time with all.**

Year of the Seven Thousand

If the seventh number of years passes, and five ascend to the halfway point of the eighth, then at the halfway point of the fifth (or five), then what confusion will occur from the fourth to the fifth (i.e., after 7,400 years from the creation of the world, then between the fourth and fifth centuries, from the fourth to the fifth, or, so to speak, during the twentieth century).

Если пройдет седьмое число лет и пяти восходящим к полпути восьмого, там на половине числа пятого (или пятерки), следовательно, какое смущение произойдет от четвертого до пятого (т.е. по прошествии 7 400 лет от сотворения мира, то между четвертым и пятым столетием, от четвертого столетия до пятого, или, так сказать, в течение двадцатого прошлого века).

Nostradamus -

Centuries 10:74

The **great year** [eon, cycle] of the **number seven** accomplished,
It shall be seen at that time of the Games of Slaughter,
Not far from the great Millennial Age,
That the **Buried shall come out of their graves.**

An revolu du grand nombre septiesme,
Apparoistra au temps jeux d'Hecatombe,
Non esloignez du grand age milliesme,
Que les entrez sortiront de leur Tombe.

Johannes Friede -

Im letzten Jahre der Verheißung werdet ihr die Zahl 1951 eurer Zeitrechnung schreiben. Der geistige Seher aber wird 77 zählen, denn das große Licht bewegte sich seit der Geburt des MESSIAS zum 77. Male im Sonnenkegel und der Sonnenzirkel vollendet das siebente Tausend. Dieses geistige Wissen der Symbolik wird durch das Johanneslicht in

menschlicher Deutung noch geoffenbart werden, damit die Entsprechungslehre des Altertums wieder Eingang ins Menschenreich finde.

(In the last year of the promise **you will write the number 1951 in your calendar**. The spiritual seer, however, will **count 77**, for the great light has moved in the solar cone for the 77th time **since the birth of MESSIAH and the solar circle completes the seventh thousand**. This spiritual knowledge of symbolism will still be revealed through the light of St. John in human interpretation, so that the correspondence teaching of antiquity will find its way back into the human realm.)

Johannes Friede -

Die drei Tage der Verheißung sind die drei Jahre 1949 bis 1951, denn ein Tag ist gleich der menschlichen Berechnung ein Jahr, weil das Lichtjahr im Universum einen Tag symbolisiert.

(The three days of the promise are the three years 1949 to 1951, because **a day is a year according to human calculation**, because the light year symbolizes a day in the universe.)

2 Peter 3:8 YLT, DRB And do not let this one thing be concealed from you, beloved, that one day with the Lord is as a thousand years, and a **thousand years as one day**.

The time we spend on this earth is excessively short; it's about **one second compared to our existence on other planets. There are planets where existence lasts thousands of years**, and others where the longer we live, the younger we become. That's why it's said: "In God's house there are many mansions".

Le temps que nous passons sur cette terre est excessivement court; il est à peu près d'une seconde en comparaison de notre existence sur les autres planètes. Il y a des planètes où l'existence dure des milliers d'années, et d'autres où plus on vit, plus on devient jeune. C'est pour cela qu'il est dit: «Dans la maison de Dieu, il y a plusieurs demeures».

Ilu-Ishtar, Chapter 21

21.9 Aus dem, was dann blieb, kam das sechste Menschheitengeschlecht, aus dem auch wir sind. (From what remained then came the sixth generation of humanity, from which we are also.)

21.10 Wohl noch siebeneinhalbtausend Jahre läuft unsere Zeit. Dann kommt abermals Neues. (**Our time will probably run for another seven and a half thousand years**.)

Then there is something new again.)

21.11 Aber die Erdenwelt wird noch da sein und ihrem Sinn dienen, hundert-siebzigmal hunderttausend Jahre. Dann erst hat sie ihren Zweck erfüllt und es wird keine Menschengeschlechter mehr geben. (But the earthly world will still exist and serve its purpose a hundred and seventy times a hundred thousand years. Only then will it have fulfilled its purpose and there will be no more human races.)

21.12 In unserer Zeit aber, die noch siebeneinhalbtausend Jahre währt, werden noch schwere Kämpfe sein gegen die aufsteigenden Mächte der Finsternis. Diese aber werden

schließlich besiegt. (But **in our time**, which **still lasts seven** and a half **thousand years**, there will still be severe battles against the ascending powers of darkness. But these will eventually be defeated.)

The Rose of the World

The Savior will be descending even farther down, into the layer which no one except its owner Gagtungr could have ever entered. Sufetkh, the cemetery of Shadanakar, will see its perpetually **closed gates swinging open**, and streams of Divine light will inundate this desert, having been lit only by the violet sun of the anticocosmos. Dying shells abandoned by monads will “perk up” in the life-giving rays. **The resurrecting spirit of the Logos will breathe new life into these half-dead remnants of souls** doomed to the second death, which have not experienced the total disintegration of their shells as yet. **The cemetery of Shadanakar will cease to exist forevermore.**

On Christos' descent into purgatories and his return (rebirth)

"Lift up your gates, O your princes, and be ye lifted up, O everlasting gates, and the King of Glory shall come in."... The princes of hell answered Him: "Who is this King of Glory?" And they **strengthened the gates of hell even more strongly**, lest the King of Glory should enter and free the prisoners of hell with His justification.

And the King of Glory lifted up His most pure foot and pressed it upon the gates of hell, like a timbrel; **The gates of hell were immediately shattered, the granaries of the condemned were emptied**, and the King of Glory brought forth from within the condemned, those who were condemned for Adam's transgression...

The next morning You **shattered the gates of hell**, and You abolished the power of death, and You **raised up the dead who had sat in darkness from the ages...** By Your divine and glorious resurrection... As the King of all and God Almighty...1

So, not with injustice (that is, not with violence and arbitrary power) did He come to destroy hell and bring forth from it His creation, but He brought forth only those who heeded His call

—those He brought forth from the granaries of torture, we say: from the torments of hell...

But he who did not wish to heed His call remained within hell forever and ever... So it is now: whoever does not heed the exhortations of the Church will remain in darkness forever, forever and ever...

Возмите врата князи ваша, и возमितесь врата вечная, и внидет Царь Славы»...

Отвечали Ему князи адские: «Кто есть сей Царь Славы?» И сильнее еще утвердили врата ада, чтобы не вошел Царь Славы и не освободил узников ада Своим оправданием1.

И приподнял Царь Славы пречистую ногу Свою, надавил ею врата адские, как какой тимпан; сокрушились тотчас врата адские, расточились житницы осужденных, и извлек Царь Славы изнутри осужденных, тех, которые были

осуждены ради преступления Адама...

Заутра врата адовы сокрушил еси, и смерти державу упразднил еси, и мертвые, во тьме от века сидящие, совооставил еси... Божественным и славным воскресением Твоим... Яко Царь всех и Бог Всемогущий... 1

Итак, не с несправедливостию (т. е. не с насилием и произволом власти) пришел Он сокрушить ад и извлечь из него Свое создание, но извел лишь тех, которые вняли призыву Его, - тех извел из житниц пытки, говорим: из муки адской... Тот же, который не пожелал внять призыву Его, остался внутри ада во веки веков... Так и ныне: кто не вонмет увещаниям Церкви, останется во тьме навсегда, на веки вечные...

"And when I looked there was a **giant mass of weird dark purple smoke covering the whole horizon**. And that thing turned into a **even bigger dark, almost wine, mass of weird material**... That wasn't a nuke. That dark mass would start to increase and approach the place where we were... That was so huge that I couldn't see it's end in any direction. So I ran to every single window and closed the last one when that thing had almost entered on our home. We through the window glass, seeing everything dark, for that mass was trying to get through it, but was failing.

So the mass started to go back, and **turned into a giant dark wave**, with kilometers high, and fell on our building, breaking everything and causing the roofs to collapse on us. We were dead.

And I woke up in Hell, literally in Hell, with flames and every thing. [JP: [The lowest purgatories, Fukabirn, not a place of eternal hellfire, after falling into Dromn/Void](#)] But I didn't like that, and I thought... "I am not evil, I should not be in Hell."

“The only one who decides when I die, is me.”

So, using my strength of will, I **flew up and destroyed the roof of Hell, going through it** and geting back to Earth. I crossed the deep oceans and came back to our the earth and skies. And I saw... There was no life left on the planet, everything had been destroyed. So I landed on an island and raised my hand, and with my strength of will I created life once again, making plants grow everywhere on that dead place.

So to my shock and disbelief as it turns out werewolves are as real as you and me with a **primary function of being protectors of humanity**, but as it turns out, back in the day the **heads that controlled the early Christians and Catholics agreed on a compact to hunt down these individuals**.

These individuals are **only a few remaining to this day** and the Lucid Dream, or more of Observational OBE was more than enough to pique my interest on who or what they are. I was at an airport where I met a very nice girl she walked up to me she seemed roughly 13 or maybe 14 with a hint of an English accent and she hinted at me; "You are of good heart and come of noble people, **you seek things many have forgotten to find and yet you do it to understand the will.**"

After slightly tilting my head to the side and asking who she was, her father quickly rushed up to grab her by the hand and her mother apologized for her bothering me. It was at that moment when I said; "You are **Lupus Dei.**"

At that very moment, the father's eyes flickered golden and the mother's eyes flickered blue, they seemed to have become protective and very defensive within a split second of their daughter. However, the girl now oddly switched to a German accent and in English said; "Mama, Papa it is ok, he is of one and is on a path of learning."

During that moment they both looked at her with a surprised expression and at me with disbelief, the father than sort of tilted his head approached me and sniffed me. What he said then was really strange based on the single fact; "You are not here are you?

You smell of noble people yet you do not know who you are, your heart is good but you do not know what it means. You are still just a boy who is yet to become a man."

The wife put her hand on his shoulder and said that it is fine, she also said to him that I am still young to fully understand everything.

It was when she said to me that **the Churches of man have not represented the real creator for a long time** and that their kind has been hunted for a long long time, entire generations and families were cut at the root. (if this is actually true it does explain a lot as to what is happening and **why there really is no one standing up for humanity**)

When I asked as to why this occurred? they said that the Creator - I APOLOGIZE BUT THIS PART HERE IS CONFIDENTIAL AS IT MIGHT CAUSE SOME PANIC FOR ALL OF US....

Before I could ask anything properly they said it was enough for me to know and walked away for their flight, I woke up in my bed saying; "Lupus Dei - The Hounds of God".

A lot of stuff I was shown proves to me that there are only a few authentic words of God in the Bible and other texts, the rest are part of a greater agenda by secret men and women shrowded in darkness of the one they refer to as "**Mother**". Which is a creepy thing that dwells in the darkness...

Apparently the darkness or the one the shadow ones refer to as "**Mother**" has been pulling the strings all along and **gave an order to wipe out all families and bloodlines** of **Lupus Dei**... as it turns out back in the day **the heads that controlled the early Christians and Catholics agreed on a compact to hunt down** these individuals with a primary function of being **protectors of humanity**. They called them **LUPUS DEI** which basically meant "The Wolf Of God" or as the shadow state refers to them as "The Loyal Hounds Of The Creator".

➡ [Aug 22, 18] Demons seem stranger some almost seem like alien but not entirely, a

few had no face or eyes yet could speak and see; those that do, I think, are like offspring they seem human **but their eyes give it away**. There is a strange tint or shine to them at specific periods of time, one time when I did confront one who was in female form spoke of a "**Mother**" and that "**We Call Her Mother**".

<https://www.abovetopsecret.com/forum/thread1216228/pg4#pid23699773>

☞ [Aug 22, 18] **Lilith** is the Mother they refer to, the offspring she produces always seem to be female which is strange and yet who am I to judge.

☞ [Mar 3, 25] Lilith is not the mother of the void, so people need to stop comparing the two together. Lilith is a weird case where she was **corrupted by the void** [Dromn] to **birth monsters and weird hybrid beings**.

*by Creator I do not mean the God of Christianity, Catholicism, or whatever I mean the real Creator. The One that stood above all Gods, who locked away the darkness (The Mother), brought light from the mass darkness and formed life out of "Infinite Love".

Daniil Andreev -

The Rose of the World

"Human sexuality is inextricably bound with her being and influence."

Lilith: "the great elemental of humanity"; "the molder and sustainer of peoples' flesh"; "the close relationship between the dramatic arts and the ancient orgiasm that is partly linked with Lilith, and partly with an even darker demonic world called Duggur."

Duggur: "is **bound up with human sexuality**; it is of vital importance to remember that name, for the **demons of the great cities** of Enrof rule there, **demons who pose a very real threat to our psyche**."

Apollonios of Tyana -

The Life of Apollonius

These **beings fall in love**, and they are **devoted to the delights of Aphrodite, but especially to the flesh of human beings**, and they decoy with such delights those whom they mean to devour in their feasts."

Leonardo Da Vinci -

"Many who hold the faith of the Son **only build temples in the name of the Mother**."

"Those who **give light for divine service** will be destroyed."

Holzhauser -

If thou hast observed how everywhere on the earth men and cattle are slain, and a great wound has been stricken, and everywhere the earth overflows with blood, the following is the import thereof: ...**The blood-hound will worry the Church**,

According to **Old Thiess**:

At this, he showed himself truly obstinate and remained insistent that all he had done was no sin against God. Rather, he had done God much service thereby in fulfillment of His will that they recover the prosperity from the devil, which the sorcerers had carried to him, and he thereby did good for the whole land. They also shared the prosperity with one another and this year would turn out well. **By their diligence they came before the**

Russians, so that everyone in this land had profited and a magnificent increase would follow. The sorcerers were God's enemies and had no portion in heaven, but they (i.e., the werewolves) were God's friends and hunting dogs, whom he uses against the devil and the sorcerers, and therefore their souls came to heaven.

Everything the werewolves do profits people best, for if they didn't exist and the devil made off with the prosperity, robbed or stole it, all the world's prosperity would depart, and (the witness) confirmed this with an oath, adding that in the preceding year, the Russian werewolves came earlier and recovered the prosperity of their land. Therefore they had had good growth in their land, while that of this land failed, for they had come too late on this side. But this year they came before the Russians and thus it was a fruitful year and good for flax.

Night of the Great Robbery

What plunder will then occur! What masculinity, adultery, incest, and debauchery will there be then? To what degradation will people descend, to what corruption through fornication? Then there will be **confusion with great strife** (i.e., revolutions and party strife); they will **constantly bicker**, and will find neither beginning nor end.

Какое сделается тогда хищение! Какое мужестрастие, прелюбодейство, кровосмешение, распутство будет тогда? До какого упадка снизойдут тогда люди, до какого растления блудом? Тогда будет смущение с великим любопрением (т.е. революции и борьба партий), будут непрестанно препираться и не обрящут ни начала, ни конца.

On the Eight Ecumenical Council

Then the **eighth council** will **gather** to **settle the dispute** and **reveal** (lit. *create*) what is good as good and what is evil as evil... The **farmer** separates the wheat from the chaff. The wheat is for humans, while the chaff is for livestock.

Потом соберется восьмой собор, чтобы разобрать спор, и явить (досл.: сотворить) благое благим и злое злым... Земледелец отделяет пшеницу от мякины. Пшеница - для человека, мякина же - для скота.

On the Heavenly Tsar

As soon as a sinner turns to repentance, he immediately finds himself close to the Kingdom of Heaven; therefore, the Forerunner says in his sermon: "Repent, for the Kingdom of Heaven is at hand." Or it is said: "In the wilderness the Forerunner of Christ cries: Prepare ye the ways, and make straight the paths of our God," and so on. What does "prepare the way" mean?

This means this: when the Tsar wishes to enter some small and lowly village, **he sends his officials ahead** to prepare the way, that is, **to sweep it**. We say: so that they repent, turn, become cleansed—that is, confess and be enlightened. I ask you: if the place is bad, is it permissible to bring the Tsar into it? For this reason He sent His official—we say, the Forerunner—so that he might prepare the way of the Lord. So, the village is the man;

the despicable is the crime. Therefore I liken it to that village.

So, if that village is defiled by psilophism? [псилафизмами], polluted by evil inclinations, uncleaned of evil taints, then how can the king come to that place?

So, God, seeing such desecration, decided in His eternal counsel to sanctify human nature and for this purpose sent the Forerunner to prepare the way of the Lord. Then God Himself came and fulfilled His counsel for the salvation of mankind.

Как только грешник обратится к покаянию, сейчас же оказывается близ Царства Небесного; посему и говорит в проповеди Предтеча: «Покайтесь, ибо приблизилось Царство Небесное». Или говорится: «В пустыне вопиет Предтеча Христов: уготовьте пути и стези Бога нашего прямы сотворите» и т. д. Что значит: уготовьте путь?

Это значит сие: когда царь захочет пойти в какое малое и низшее село, то посылает вперед чиновных своих, чтобы уготовали путь, то есть подмели бы. Говорим: чтобы покаяться, обратились, очистились, сиречь, исповедались и просветились. Спрашиваю я вас: если место плохое, то можно ли ввести царя в него? Ради того и послал Он сановника Своего, говорим: Предтечу, - дабы уготовал он путь Господень. Итак, село есть человек; презренное есть преступление. Посему и уподобляю я его селу тому.

Итак, если то село осквернено псилафизмами, загрязнено злым расположением, неочищено от злосмрадностей, тогда как возможно царю прийти в то место? Итак, Бог, увидав такое осквернение, положил в предвечном совете освятить естество человека и сего ради послал Предтечу, чтобы он приуготовал путь Господень; потом Сам пришел Бог и исполнил совет Свой о спасении людей.

[Link with Simone Weil on "sin"] According to the saint, a person who judges cannot be saved. Because for judging another, the consequences will fall on their own head. In their pride, **they think they have achieved something** and therefore have the right to judge others. In reality, they have nothing good to offer.

Comparing Christ's humanity to a rose and His Divinity with its fragrance, the Jewish race -

The Jewish race is thorny, like an **ungrateful** rose bush, and because of this **ingratitude**, the prophets spoke to them through the Holy Spirit, in order to prepare the Jewish race to receive the gift of the Holy Spirit.

A thirty-leaf tree (i.e., a rose, for a rose has thirty leaves) is useless if it has no color, is it not? But the color adorns this worthless tree, and people honor it. When the color falls from the tree, what becomes of it? Does it not remain worthless? So it was with the Jewish people when they lost the color of the Holy Spirit.

Сравнение человечества Христова с цветком розы и Божества Его - с благовонием

ее, рода же иудейского -

Род иудейский колючи есть род кусто неблагодарный и розовым, и ради этой неблагодарности им глаголали пророки Духом Святым, дабы уготовать род иудейский к приятию дара Духа Святаго.

Тридцатилиственное дерево (т. е. розовое, ибо в розе насчитывают по тридцати листочков), если не имеет цвета, непотребным делается, - не так ли? Но цвет благоукрашает сие негоднейшее дерево, и люди имеют его в чести. Когда же цвет с дерева опадет, то чем делается оно, не остается ли оно непотребнейшим? Так стало и с родом иудейским, когда он утратил цвет Всесвятаго Духа.

On why Jesus incarnated as a Jew -

What need is there for this beautiful flower to be on such a tree? If it blossomed on another tree, one would say, "The tree itself is beautiful, and that is why such a beautiful flower blossomed on it." We say: **why did Christ incarnate from the Jewish race and not from another race?**

Because there was no other race like it, **ungrateful**; therefore, Christ was born of the Jews **to adorn the Jewish race**. But **ingratitude** clouded the Jews, and they did not recognize the salvation of mankind, which was incarnated in their midst.

So now, people who have become darkened, falling into the darkness of insensitivity because of their many cares and worldly concerns, have cast off the most beautiful flower of monastic life and have strayed into the most useless care for the flesh.

They have despised the flower of salvation and preferred the flower of perdition. They delight in lies, praise theft, take comfort in condemnation, but do not care about the salvation of their souls. They take comfort in the flower of condemnation, considering it fragrant, but it is a stench and a leprosy.

Какая же потреба быть сему прекрасному цветку на таком дереве? Процвети он на ином дереве, сказали бы так: «Само дерево прекрасно, оттого и процвел на нем такой прекраснейший цветок». Говорим: почему воплотился Христос от рода еврейского, а не иного рода?

Потому, что не нашлось другого рода, подобного ему, неблагодарного; посему и воплотился Христос от евреев, чтобы благоукрасить сей род еврейский. Но неблагодарность омрачила иудеев и не познали они спасения человеческого, Которое воплотилось в их среде.

On people's passion for condemnation/judging others:

I am amazed at people's passion for condemnation. Is there any benefit to this condemnation of others, which is so widespread among you? The passion for condemnation is an extraordinary affliction for a person, from which he suffers more than from his other transgressions.

О страсти осуждения в людях ивлюсь я. Есть ли какая польза от этого осуждения других, что так между вами оно распространено? Страсть осуждения есть чрезвычайная проказа для человека, от которой он в большей степени страдает, чем от других своих прегрешений.

"Is there any benefit in this condemnation of others, that it is so widespread among you? The passion of condemnation is an extraordinary leprosy for a person, from which he suffers to a greater extent than from his other sins."

"Есть ли какая польза от этого осуждения других, что так между вами оно распространено? Страсть осуждения есть чрезвычайная проказа для человека, от которой он в большей степени страдает, чем от других своих прегрешений».

"A man who judges cannot be saved in any way, since no matter what he condemns another for, it all comes back on his own head. In his pride, he imagines himself to be a pure vessel and therefore supposedly has the right to condemn his neighbor, but he does not realize, the unfortunate man, that he himself is impure in what he condemns!" "Therefore," the elder instructs, "those who do not condemn one another are innocent before God, as it is said: 'Judge not, lest ye be judged!..'"

"Человек, если он осуждает, не может спастись никоим образом, так как в чем бы ни осудил он другого, все на его голову возвращается. По гордости своей мнит он о себе, что он — чистый сосуд и потому якобы имеет право осуждать ближнего, не представляет же себе, несчастный человек, что он сам нечист в том, за что осуждает!" "Поэтому, — наставляет старец, — не осуждающие один другого неповинны пред Богом, как говорится: «Не судите, да не судимы будете!.."

On the monastic life

What good is a warrior who goes into battle with a double-minded spirit, untrained and ignorant of military affairs? When battle breaks out unexpectedly and the attacking enemy sees the warrior unprepared for battle, won't they take him prisoner? The same thing happens to a monk with a double-minded disposition (during spiritual warfare).

Какая польза от воина, который, идет в бой с духом двоедушным, идет необученным и несведущим в военном деле?

Когда неожиданно наступит бой и напавшие противники увидят воина неподготовленным к битве, то не заберут ли его в плен? То же бывает и у монаха с двоедушным настроением (при духовной брани)

...as if someone had enlisted in the army, then deserted and failed to join the troops going to war; he becomes an apostate of the Tsar. When the Tsar sees this apostate, this disobedient to the Tsar's command, he will strike him from the list. A similar fate will befall him who, having intended to become a monk and having enlisted among the soldiers of the **Heavenly King**, then repents of this intention, deregisters, becomes a slave to the world, enslaved by the affairs of the world—the stench of sin... What indignation must he arouse in the **Heavenly King**?

...как если бы кто вписался в войско, потом дезертировал и не присоединился к войскам, пошедшим на войну; он становится отступником царя. Когда царь увидит

сего отступника, сего преслушника царского веления, вычеркнет его из списка. Подобное сему постигнет того, кто, вознамерившись быть монахом и вписавшись в воины Царя

Небесного, потом раскается в сем намерении, выпишется, сделается рабом мира, поработившись и делам мира - смраду греховному... Какое негодование **Царя Небесного** должен он возбудить против себя?

O foolish and callous of heart! How is this permissible for one who voluntarily and consciously dedicated himself to the Tsar's army, becoming a Tsar's warrior? How is it possible to allow a Tsar's warrior to later become a slave to the hide trade? We say: a slave to sins and a worker of iniquity? This is the significance of the return of the cassock-wearer to the world, and let him who has accepted the cassock-wearer fear this!

О, безумные и косные сердцем! Как допустимо это для того, кто добровольно и сознательно посвятил себя войску царя, сделавшись царским воином? Как возможно допустить, чтобы воин царский становился потом рабом шкурного ремесла? Говорим: рабом грехов и делателем беззаконий?..

Вот каково значение возвращения рясофорного в мир, и да боится сего тот, кто принял рясофор!

On Mary, the Mother of God

Today, people have **renounced the Queen of Salvation** and **called upon the Queen of Perdition**, the over-anxious vanity, to help them; they care only for destructive stinginess, with which they defile their souls.

ныне люди отреклись от Царицы Спасения, призвали себе на помощь царицу погибели, многопопечительную суетливость; заботятся лишь о пагубном скряжничестве, которым и грязнят свою душу.

The King of Kings built for us a fearsome and impregnable fortress, and appointed His Mother to reign over it and its environs. And the Mother of the Tsar sat upon the throne of that fortress; the fortress's boyars came to worship the Queen, and the entire fortress and its environs rejoiced in Her sovereignty, for **never has another Queen risen like Her, neither is nor will be.**

Царь царствующих устроил для нас крепость страшную и неприступную, а царствовать над нею и над окрестностями ее поставил Матерь Свою. И воссела Матерь

Царя на престоле крепости той; бояре крепости приходили поклоняться Царице, и вся крепость вместе с окрестностями возрадовалась владычеству Ее, ибо не восставала никогда другая, подобная Ей, Царица, ниже есть, ниже будет.

For this reason, the entire city and its environs fell in love with Her. The Tsar saw with

His eyes and heard with His ears that all the people of the fortress and its environs had fallen in love with His Mother. Then He sent help from above to this city and sent royal letters, so that the city would be immune to temptation while His Mother remained there. But the next generation of people began to descend into the depths of destruction; they descended little by little to the point of driving the Queen, the Tsar's Mother, from the city's fortress walls.

Ради этого возлюбил Ее весь град вместе с окрестностями. Видит Царь оком Своим и слышит слухом Своим, что все люди крепости с окрестностями полюбили Матерь Его; тогда послал Он свыше помощь граду сему и прислал царские грамоты, чтобы неподвергаем был град соблазну, пока там находится Матерь Его. Но следующее поколение людей начало снисходить в погибель погибели; снизошли мало-помалу до того, что изгнали Царицу, Мать Цареву из градских крепостных стен таким образом.

The people of the city heard of a powerful woman, a woman who pleased their destructive and evil nature. They secretly sent her a letter, summoning her to the throne. After many letters, they compelled her to come. And this queen, a harlot, a dissolute woman, sat upon the throne and reigned. They then cast out the highest of all Queens, the Mother of the Heavenly King, who was and is the only Holy Woman, most pure, most wise, good, blessed, most blessed, and full of grace.

Прослышали люди града о том, что есть одна сильная женщина, женщина, угодная их погибельному и злему нраву, послали ей тайно грамоту, призывая ее на царство; после многих писем, которые посылали ей, принудили они ее к тому, что она пришла. И воссела на престоле сия царица, блудница, развратная женщина и воцарилась. Изгнали тогда высшую всех Царицу, Мать Небесного Царя, Которая была и есть одна Жена Святая, чистейшая, премудрейшая, благая, благословенная, преблагословенная и благодатная.

"Saint Nilus" - [unverified]

People's appearances will change, and it will be impossible to distinguish men from women due to their shamelessness in dress and style of hair. These people will be cruel and will be like wild animals because of the temptations of the Antichrist.

[Saint] Nilus the Myrrhusher -

"When Antichrist places his seal on people **their hearts will become as if dead**. At the time of the prophesied calamity, Antichrist will begin to seal people with his imprint, as though by this seal to save them from misfortune, for those having this seal, according to Revelation, will be able to buy bread. Many will be dying on the roads. People will become like predatory birds attacking carrion, and will devour dead bodies. But which people will devour the dead? Those who are marked with the seal of Antichrist. Since Christians will not have the seal they will not be able to receive or buy bread and will not devour the dead; but those who are sealed, though they can buy bread, will devour the dead. For, when a man is imprinted with the seal, **his heart will become insensitive**; not being able to bear hunger, people will carry off corpses, and sitting at the side of any road

devour them.

"Finally, the one sealed by the Antichrist will himself be put to death; and on the seal the following will be written: 'I am yours.' - 'Yes, you are mine.' - 'I go of my own free will, not by coercion.' - 'And I receive you by your own will, not by coercion.' These four sayings or inscription will be shown in the center of that accursed seal."

“When the cursed glory sees Enoch and Elijah preaching to the people and telling them not to receive the mark of the Antichrist, he will order to have them arrested. But they will be convincing the people not to receive the mark, saying that whoever shows patience and does not receive the seal, that one will be saved and God will receive him straight into the Paradise only for not receiving the seal. And let each one sign himself with the sign of the honorable Cross, making the sign of the cross at all times because the seal of the cross frees man from the torment of Hades; the seal of the Antichrist, though, brings one into the torments of Hades. If you are hungry and need food, endure for a short time and God, seeing your patience, will send you help from on high; you will be livened again (fed full of life) with the help of the God in the Highest. If you do not show patience, however, you will receive the mark of this unclean king, and will the regret it.”

[Hadith] Sunan Ibn Majah 4244 (Grade: Hasan)

It was narrated from Abu Hurairah that the Messenger of Allah said: “When the believer commits sin, a **black spot appears on his heart**. If he repents and gives up that sin and seeks forgiveness, his heart will be polished. But if (the sin) increases, (the black spot) increases. That is the *Ran* that Allah mentions in His Book: “Nay! But on their hearts is the *Ran* (covering of sins and evil deeds) which they used to earn.” [Quran 83:14]

St. Nilus the Myrrh-gusher prophesied: "The Antichrist will begin to seal people with his seal as if in order by this sign to save them from woes (for only he who has the seal, according to the Apocalypse, will be sold bread). Many will die on the roads. People will become like birds of prey hurling themselves on rotting matter. They will devour the bodies of the dead. But of what kind will be the people who will devour the dead? Those who are sealed with the seal of the Antichrist; Christians, even though they will not be given or sold bread because they do not have the seal on themselves, will not eat corpses; but those who have been sealed, in spite of the availability of bread for them, will begin to devour them. Finally, he who is sealed will himself be killed by the antitype: on the seal will be written the following: 'I am yours.' 'Yes, you are mine.' 'I go willingly, not by force.' 'And I accept you in accordance with your will, and not by force.' These are four utterances, or inscriptions, which will be written in the middle of this accursed seal...

"But when the accursed glory will see Enoch and Elijah preaching and telling the people that they should not receive the seal of the Antichrist, he will order them to be seized. But they will continue to persuade people not to receive the seal of the Antichrist; they will say that he who shows patience and is not sealed with the seal of the Antichrist will be saved, and God will unfailingly receive him into Paradise for the sake of the single fact

that he did not receive the seal. And let everyone sign himself with the honourable cross, making the sign at every hour, for the sign of the cross frees man from the torments of hell; but the seal of the Antichrist leads man to the torments of hell. If you are hungry and want to eat, be patient for a little while and God, seeing your patience, will send you help from on high; you will be filled with life through the help of God the Most High. But if you are not patient, you will be sealed with the seal of this impure king, and will then repent of this.

[Saint] Nilus the Myrrh-gusher -

"People will say to Enoch and Elijah, 'Why then are those who received the seal thankful to Antichrist?' Enoch and Elijah will say: '**They are thankful, but who is really thankful?** It is not the people who give thanks, but only the seal itself.' What is their thankfulness? It is that "Satan" has entered into them, is conceived in man's feeling, and man does not know what has happened to him. The one who is sealed with the imprint of Antichrist becomes a demon; even though he asserts that he feels neither hunger nor thirst, he craves food and drink even more, and not only more, but seven times more than you. Be patient for only a little while. Do you not see rather that he who receives the seal of Antichrist will not live (he is dead in spirit, and eternal suffering awaits him)? Is it possible you too desire to perish with the seal in eternal suffering, there to be with those, who were sealed with it? - where there is weeping and gnashing of teeth?"³⁰²

The Book of the End

Thus St. Nilus the Myrrh-gusher says: "All the nations of Europe will be armed against Russia. The [false?] Tsar will summon all his European and Asiatic peoples. The belligerents will meet in an immensely wide plain where a terrific battle will be fought and will last for eight days. The result will be a victory of the West over the Russians."

And according to St. Nilus the Myrrh-gusher he [the real tsar] will convene "a last and

Eighth Ecumenical Council to deal with the disputes of heretics and separate the wheat from the chaff."187 As we have seen, St. Seraphim of Sarov also prophesied the convening of a last great Council - but by a Russian emperor.

Thus St. Nilus the MyrrhGusher prophesied: "Yea, evil will be incarnate (the Antichrist will be born) without any masculine seed. Yea, he will be born of seed, but without man's sowing, but will be born through artificial insemination." 269

Thus in St. Nilus the Myrrh-gusher's prophecy about the twentieth century, the Antichrist is described as possessing the power of working miracles which we recognize to be the "miracles" of modern science, such as that of enabling one man to talk to another over very great distances (the telephone), that of flying in the air like a bird (the aeroplane) and of diving into the sea like a fish (the submarine). And St. Nilus goes on to say that the Antichrist "will so complete science with vanity that it will go off the right path and lead people to lose faith in the existence of God in Three Persons" - a prophecy that has been abundantly fulfilled in our time.287

The most detailed description of this tradition is to be found in St. Nilus the Myrrh-gusher of Mount Athos (+1596):

"The Antichrist will be born of an unclean, wanton maid. All debaucheries will be united within this maid, and she will be the treasure house of fornication. Every evil of the world, every uncleanness, every sin will be embodied in her. Through her conceiving from secret wantonness, all sins will be combined in a womb of uncleanness and will be brought to life together with the spiritual impoverishment of the world. When the world will be deprived of the grace of the Most Holy Spirit, then the Antichrist will come to life in the womb of the unclean, from the most filthy and impure woman to have lived, though she will appear as a virgin. Conceived from such secret and unnatural wantonness, the offspring will be **the container of every evil**, as opposed to the way in which Christ was the ideal of every good quality, and His Most Pure Mother was the ideal of womanhood."465

Such an idea *appears* to have been suggested by the further words of St. Nilus: "Yea, he will be born of seed, but without man's sowing. He will be born with seed, but not with the seed of a man."
